Dear Sentience Foundation Sponsors:

I was fortunate to have the opportunity to participate in Brain Camp at Muhlenberg College last week, and I would like to thank the Sentience Foundation very much for this wonderful experience. The classroom and laboratory activities offered an exciting look at neuroscience, a field that has become more and more interesting to me. As I enter my senior year in high school, I will take with me this wonderful experience. I am interested in learning more about how I might fit into this field.

Brain Camp was a great experience and I am truly grateful to the Sentience Foundation for its sponsorship of this program. It has given me much to consider as I plan my future studies.

Sincerely,
